

Macquarie Towns Motorcycle Restoration & Preservation Club

Incorporated in NSW

About our Club

Macquarie Towns Motorcycle Restoration and Preservation Club was established in 1980. It was founded by a small number of determined motorcycle enthusiasts. Our Club has grown considerably in strength over the years and presently has over 200 financial, associate and life members. The main aims and objectives of our Club is to promote and foster the restoration, preservation and use of motorcycles ten (10) years old or older.

The Club conducts a variety of events throughout the year. These include our annual Club rally which has become one of NSW's premier motorcycle rally events, our annual Club show day, mid-week & weekend rides, as well as many Club social activities for members and their families. Our Club is actively involved in our local community events and regularly participates in local functions and historical celebrations, usually in the form of static displays featuring an assortment of motorcycles from differing vintages. Our Club actively participates in a variety of fellow motorcycle club events and activities throughout the calendar year.

Persons over sixteen (16) years of age with an active interest in the restoration, preservation and use of motorcycles ten (10) years old or older are eligible to apply for membership. Persons wishing to join our Club must be nominated in writing, signed by a nominator and a seconder, both of whom must be financial members of the Club. A membership application form can be found on the back of this page. The nomination will contain the proposed members name and address and must be accepted by a general meeting.

There is a wait time for new member applicants of 12 months from application date before MTMRPC Officials will sign for HCRS Registration. During this time applicants must be willing to participate in club activities.

Our club meetings are held on the second Monday of each month. Meetings start at 8.00pm at the Pitt Town Uniting Church Hall, Bathurst Street, Pitt Town. Visitors sharing our interests are most welcome.
