## FREE MAGAZINES

Each meeting we have a table of assorted automotive magazines for FREE.

Please take one or more home to share with your family and friends.

## MAGAZINES WANTED

Do you have any old unwanted motorcycle, car, plane, truck, train, boat or any other motor magazines to donate to other club members on our monthly meeting nights.

## A NOTE FROM YOUR PRESIDENT

Its been quite a while and we have endured 9 months now without any formal meeting.

Hard to imagine but thank goodness we have had our various rides each month to keep some of us in touch. A big thank you goes out to Peter Boros and Rod Brigham as well as Kathleen and Trevor Toovey for the informal organisation methods!

Thankyou too to those members who have email addresses that we can use to get our club info to you quickly. Of course the printed newsletter will get out as well but unfortunately without the coloured photos.

Well conditions appear to be good enough for us to hold not only a general meeting but an Annual General Meeting to boot. Its time to vote in a new committee.

The date; 9th November 2020, (second Monday of the month)

Time: From 8.00pm sharp

Venue: Pitt Town Sports Club Auditorium

As we are still operating under Covid restrictions if you intend to attend you must RSVP by contacting KATHLEEN TOOVEY directly by phone or text on 0423 692802, or by Email on [lucyleen@optusnet.com.au](mailto:lucyleen@optusnet.com.au), or by specific PRIVATE MESSAGE ONLY on Facebook.

Only 64 persons are able to be in the room so book early to avoid disappointment.

Kathleen will check you in on the door upon arrival, please arrival early to avoid the rush.

So aside from that BIG news what's everyone been up to? I've heard that some motorcycles have moved from Preservation to Restoration. Why not drop the editor a note to tell the members your successes.

What have I been doing? Oh I've moved to Pitt Town, that took a bit of doing..... and I did go on my annual Trek to the Moto Guzzi Rally which was not on but the Guzzi Club did go on a camping trip West of Taree and I dropped in and paid a visit.

With Christine my 1968 V7 Guzzi still off the road I took Helga my Honda ST1300 which eats up the mile with ease.

Anyway I hope to see at least some of you soon.

Cheers Pete

## Ed's Desk - Oct / Nov 2020

Welcome to our October / November 2020 Magazine - due to COVID-19 deliveries may be delayed.....I have seen that message in lots of places where it shouldn't be. Hoping all our members are staying safe and doing well.

I won't give a race by race breakdown as we don't have the time or space... but lets say since Marquez (snr) broke his arm we have had all sorts of people putting their hands in the air claiming they want to be world MotoGP champion. The racing has been fast and furious with all sorts of weird and whacky outcomes surprising all. Rookies in their first year taking a win onboard a bike that has never won a race (Binder-KTM)!?! and the usually fast men seeming to find ways to not win. Even our own Jack Miller has run into a few demons along the way (Quartararo's tearoff blocking his air intake), being punted off, hit from behind and a few mechanical failures whilst dicing up the front.

Lets hope all Millers bad luck can be finalised this year and next year can start with a clean slate in the factory Ducati team. At this stage with 3 races to go it looks like the Suzuki boys Mir and Rins are finding form at the right time of the year...and being consistent seems to be the way forward. Fan favourite Rossi has caught the dreaded COVID-19 and is out for a few races.

Yamaha's Quartararo is flying the tuning fork flag...but hasn't been bothering the front runners of late...superfast in qualifying but when it comes to race day...he goes backward...still 2nd in the race for overall but on form...probably not....his team mate Morbidelli is taking a few wins which will be disappointing the 2 factory boys Rossi and Vinales. Marquez (snr) won't be back this year I doubt...even rumours of another operation for him. Marquez (jnr) has been flying of late and came awful close to stealing a win a few races back. The last race of the year in Portugal at a track where no MotoGP of the current era has been held should be interesting...it will probably come down to that race to decide the Championship...bring it on.
